

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary is a clear example of stations not being independent and therefore susceptible to a propaganda tool. The airing of an anti-Kerry program should also include in context a pro-Kerry program, an anti-Bush program and a pro-Bush program similar to voter guides.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. And the potential airing of this broadcast definitely does not serve that purpose.

Thank you.
